

## Shantilal Shah Engineering College, Bhavnagar

11 May 2020

### SSEC doing its bit in contributing to health administration's efforts in fighting the pandemic of CoViD-19

SSEC, Bhavnagar has always been committed to contributing to social causes through channelizing technical intellect available. In another such endeavour, SSEC has donated 70 3D-Printed face-shields to Sir T. Hospital today. **Prof. A.D. Kalani** from Mechanical Engineering Department has been instrumental in co-ordinating and materializing the resources available at the institute to make these face-shields that would be used by health officials at sir T. Hospital.

Today, Principal **Dr. M.G. Bhatt**, accompanied by **Prof. Kalani**, handed-over 70 3D-Printed face-shields to the dean of Government medical college, Bhavnagar, and Medical Superintendent of Sir T. Hospital, Bhavnagar. Take a look at some pictures taken during the event:
